

## Chinook 1.5 Questionnaire

### **Landing Page/Introduction**

The purpose of this survey is to obtain feedback from the field on user perceptions of Chinook 1.5. This survey also asks users to make comparisons between Chinook Mod3/Mod3+ with Chinook 1.5 to find out why users prefer one platform over the other. The responses will help the Digital Journey Labs analyze what improvements must be made to improve user confidence in Chinook 1.5.
